# About EZ Furniture

EZ Furniture is a newly established furniture business based in Sydney, Australia, specializing in importing high-quality furniture and distributing it across major Australian cities. We collaborate with approximately 25 trusted suppliers and 15 reliable shipping partners to deliver exceptional value and variety to our customers.

Our journey began with furnishing our own home, where we imported furniture worth approximately AUD 16,000 — pieces that would have cost nearly AUD 50,000 locally — without compromising on quality. The outstanding craftsmanship and strong interest from friends and colleagues inspired us to expand commercially.

Today, EZ Furniture is committed to making premium furniture more accessible, affordable, and effortless for Australian homes.
